

POLYGRAPH EXAMINER I/II

Purpose:

To actively support and uphold the City's stated mission and values. To perform a variety of duties involved in the interrogation of crime suspects and others through use of a polygraph device; to conduct background investigations; and to assist in testing police applicants.

Distinguishing Characteristics:

<u>Polygraph Examiner I</u> – This is the entry level class in the Polygraph Examiner series. This class is distinguished from the Polygraph Examiner II because of its use as a training class. Employees in this class may have only limited directly related work experience and may not have the specific training and licensure required for the Polygraph Examiner II.

Polygraph Examiner II – This is the full journey level class within the Polygraph Examiner series. Employees within this class are distinguished from the Polygraph Examiner I by the performance of the full range of duties as assigned. Employees at this level receive only occasional instruction or assistance as new or unusual situations arise, and be fully aware of the operating procedures and policies of the work unit. Positions in this class are flexibly staffed and are normally filled by advancement from the lower class of Polygraph Examiner I, or, when filled from the outside, require prior experience as a police polygrapher and completion of an appropriate polygrapher course. Appointment to the higher class requires that the employee be performing the full range of duties assigned to the class.

Supervision Received and Exercised:

Receives direction from a Sergeant or from other supervisory or management staff.

Examples of Duties:

This class specification is intended to indicate the basic nature of positions allocated to the class and examples of typical duties that may be assigned. It does not imply that all positions within the class perform all of the duties listed, nor does it necessarily list all possible duties that may be assigned.
